Assembly Bill 285

Assembly Bill 285 requires the Secretary of Commerce to establish a committee related to the use and disposal of used oil filters and other oil-absorbent materials. The committee is directed to gather data, establish percentage goals for recycling used oil filters and other oil-absorbent materials and suggest measures to be taken if those goals are not met. The Department of Commerce is directed to schedule meetings of the committee once a month for 15 months, and to submit recommendations based on the work of the subcommittee to the Legislature no later than two years after the effective date of the legislation.

Assembly Amendment 1

Assembly Amendment 1 directs the Secretary of Commerce to appoint members to the committee who represent specified governmental and educational entities, organizations, and businesses. The amendment also requires the committee to meet once a month for 15 months or until the committee completes its work, whichever is earlier.
